EYELASH TREATMENTS

Eyelash Perming: \$85

Create the look of naturally curled lashes with this simple yet exciting procedure. This is a safe and long lasting alternative to daily eyelash curling. Treatment will last up to 3 months.

Eyelash Extensions: \$150 & up

Be prepared for your red carpet moment by enhancing your eyelashes. Eyelash extensions give your lashes thickness and length creating a glamorous yet natural look. Eyelash Extensions last 6-8 weeks depending on the life cycle of your own natural eyelashes. The average cycle of a single eyelash extension is about 90 days. Though lifestyle and care of your semi-permanent eyelashes will affect how your eyelash extensions last. Application process: A certified and licensed technician will attach a single eyelash extension to each natural eyelash.

Approximately 2 hours.

Eyelash Extension Touch-up: \$50 every two weeks, \$75 every three weeks, \$100 every four weeks

Having a touch-up can eliminate the gaps that occur from the natural life cycle of your eyelashes. If you touch-up every two or three weeks, you can maintain the full-lash look indefinitely without having to take the time or having to pay for the full eyelash extension procedure. The touch-up provides continuity of the look, and can actually be less expensive in the long run.

WAXING

Method of semi-permanent hair removal which removes the hair from the root.
